

Transportation Permit

Utah law requires a transportation permit for all industrial hemp material moved within the border of the state

Permit is required for each day and vehicle used

Requests for permit should be submitted at least 5 business days prior to movement

To initiate a license renewal visit:

Cannabis Programs

This page contains information and resources related to Medical Cannabis and Industrial Hemp laws, rules, and programs administered by the Utah Department of Agriculture and Food. Please note that while both programs (Medical Cannabis and Industrial Hemp) are managed by the same team, they are unique and nuanced. Please review the information specific to the program you are interested in and recognize there are differences with each.
